WELCOME TO DUCHESNE

Duchesne High School is a co-ed, Catholic college preparatory school that provides each student unique opportunities to develop their God-given talents, growing into leaders in **MIND, BODY, and SPIRIT**.

MIND

We implement a rigorous curriculum to impact a rapidly-changing global community.

BODY

We develop students' respect for the human body by instilling a positive approach to a healthy lifestyle.

SPIRIT

We continue the mission of St. Rose Philippine Duchesne: to nurture love of God and His Church, to serve others, and to inspire moral excellence.

Our sense of community continues to be at the heart of what makes Duchesne special: a safe, welcoming, family environment providing a faith-based Catholic education with academic excellence second to none in a co-ed, real-life setting.

MIND

Duchesne's curriculum is student-centered. The use of technology, labs, project-based learning assignments, and collaborative learning techniques help prepare students for college and work beyond the classroom, while providing leadership opportunities throughout their time at Duchesne.

ACT scores higher

graduates

82% of students
take at least one
AP/ACC course

AP/ACC courses offer
students the chance to earn
COLLEGE CREDIT
while attending Duchesne.

100% College Acceptance Rate

Duchesne prepares students for higher learning with programs that appeal to a broad spectrum of their interests. Advanced college credit courses and honors courses are designed to challenge students and strengthen the fundamental skills required to succeed wherever they decide to continue their education.

Scholars Academy

student-directed study

Duchesne's unique Scholars Academy progressively layers curriculum and guides students to self-directed study. The Academy fosters independent learning through auxiliary courses designed specifically for the students in the program. Academy scholars will enhance their innate curiosity and contribute to the direction of the curriculum.

THE ARTS

SPIRIT

As a Catholic community, Duchesne educates students to high secular standards, to live the Gospel of Jesus Christ, and to participate in the traditions of the Catholic Church. This spiritual guidance includes an education in service, which was taught and exemplified by Jesus Christ and our patroness, St. Rose Philippine Duchesne.

1 Junior Week of Service at area non-profits

4 years of Theology classes

15 years of raising \$5,000 for an annual Heifer International Ark

20+ Adopt-a-Families each Christmas

100 hours of service in order to graduate

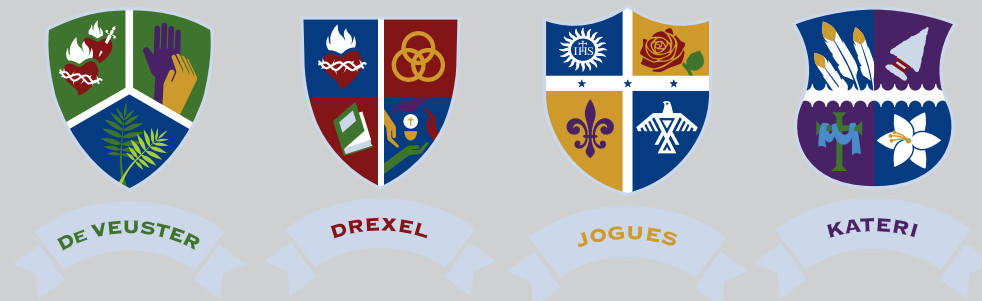

4 houses under

1 ROOF

Students are given greater control of their non-academic time to explore different issues relevant to teenagers, work in a larger capacity with the leaders of the school, participate in ongoing service opportunities, and compete in friendly competitions.

Service

Each house leads and participates in a service project that benefits a charity of their choosing and mirrors the mission of the patron saint for which their house was named.

Community

The House System fosters a sense of community and belonging from the moment a student walks in the door. The core family values at the heart of Duchesne are enhanced and further reinforced by this collaborative and caring program.

Leadership

Many of our students are in defined leadership roles, while others lead by example and work behind the scenes. Whatever their leadership looks like, the goal is to teach and provide opportunities to form tomorrow's leaders.

Mentorship

During Communion, mixed-grade-level groups provide students with the opportunity to establish relationships across all age ranges. The benefit is two-fold: students have a guide during their first years at Duchesne and they get the chance to mentor others later on as upperclassmen.
