

Lesson 3: Ocean Travel to the New World
K-5 Instructions for Bon Voyage PowerPoint

- Using the Bon Voyage PowerPoint, track the *Rebecca*'s progress on a bulletin board, wall or calendar in the classroom along with the Rebecca Template (in the Student Documents & Activities column). Students could also draw a *Rebecca*, pirate ship, comet, clouds, wind, thunder, partial eclipse of the moon, fire on deck, a waiting sign, etc. to help count down the 70 day voyage.
- Using the Bon Voyage PowerPoint, trace the route of Philippine's journey from Bordeaux, France to New Orleans using the historical maps provided in the Power Point.
- Relate the recent solar eclipse (August 21, 2017) to the partial lunar eclipse Philippine and the crew experienced on their voyage, modeling differences and similarities.
