

## K-2 Instructions for Welcome to the New World Power Point & Hospitality

After 70 days aboard the *Rebecca*, we celebrate the arrival of Philippine and her travelling companions to New Orleans! Gain insight into the travelers' deep appreciation for the hospitality offered by the Ursuline nuns in the safety and shelter of their convent.

View the short Ursuline Convent YouTube tours provided in Student Documents & Activities to better visualize the space and grounds where Philippine regained her strength after her transatlantic voyage.

## Hospitality Resources

Hospitality begins with courtesy and manners! Below are a few online resources to encourage good manners and hospitality in your classrooms and communities.

## Hospitality Classroom Ideas

- With a partner or small group, create a poster (or document/power point) on Hospitality. Have students add what hospitality LOOKS LIKE and SOUNDS LIKE to their creation.
- Research and create a hospitality and/or manners Bingo game or concentration game and share with another grade level or homeroom.
