

REFLECTIONS FROM A YOUNG ALUMNA 2019

Second Lieutenant Danielle McIntosh graduated from Duchesne High School in the class of 2013. While at Duchesne, she was a member of the varsity soccer team, which earned the state title in 2013, junior varsity basketball team, cross country team, Key Club, and National Honor Society. After graduation, she attended the United States Naval Academy Preparatory School and went on to the United States Naval Academy in the summer of 2014.

Throughout college Danielle ran varsity track and led the youth group at her local church. Through that church, she was able to participate in two mission trips to Haiti and Serbia sponsored by Seven Soils. In Haiti, she led Bible studies with the local men's and women's groups, as well as volunteered at Maison de Enfants de Dieu orphanage. In Serbia, she and her team built a low ropes course for Camp Mrcajevci, a Christian summer camp for kids. At the Academy she held the title of Honor Advisory and Battalion Safety Officer.

Upon graduation in 2018, Danielle commissioned into the United States Marine Corps as a Second Lieutenant. She attended The Basic School in Quantico, VA, from June 2018 to December 2018. Upon graduation from The Basic School, she joined Marine Wing Support Squadron 374 in Twentynine Palms, CA, the Ground Supply Officer. In her role at MWSS 374, she is responsible for several million dollars of equipment, weaponry, and ammunition.

Danielle believes the foundation of mind, body, and spirit set by her family and reinforced by Duchesne throughout high school has prompted her to walk the path she does today. The countless leadership lessons learned on the soccer field from her peers and devout coach, Patrick Turner, have influenced how she currently leads her Marines. As her educational cornerstone, Duchesne set Danielle up for success in college and beyond as she chose her major based off of Mr. D'Urso's literature classes and her career path on Mr. Biehle's love of country and the preservation of our nation's history.

Duchesne provided Danielle the discipline, spiritual foundation, and mental fortitude that guides her footsteps each and every day. The outpouring of love and support from the faculty and staff throughout her time at Duchesne provided an exceptional example Danielle follows when mentoring and leading her Marines.
