STUDENT INCLUSION IN MEDIA AND MARKETING MATERIALS

Throughout the school year, Duchesne prepares and distributes media releases, informational materials and marketing materials to promote our school in the community. Before we respond to the media or distribute information, it is important that we know if you have any objection to your child(ren)'s inclusion in news stories or marketing materials. These marketing materials include but are not limited to news releases, advertisements, school brochures and fliers, and photo or news content on the Duchesne High School Web site and the school's official social media accounts. Similarly, the Archdiocese of St. Louis also uses student photographs, video images and audio recordings to promote Catholic education in the media, advertisements, brochures and other publications, and Archdiocesan Web sites. Signing this form authorizes Duchesne High School and the Archdiocese of St. Louis to publish, reproduce and display photographs, video images and/or audio recordings of your child(ren) in any media and marketing materials, electronic or otherwise.

For good and valuable consideration, the sufficiency of which is hereby acknowledged, I/we, the undersigned grant to the Archdiocese of St. Louis and all of its affiliated entities ("Archdiocese"), including Duchesne High School, the right to publish, reproduce and display photographic images, video images and/or audio recordings of my/our student(s) ("Individual") for use in all media, electronic or otherwise, in connection with publications, advertisements and/or web pages of the Archdiocese, provided that the Archdiocese is not authorized to sell or otherwise distribute such photographic images, video images or audio recordings to any other person or entity without my/our consent. I/We understand that the Archdiocese may associate the photographic image, video image or audio recording with the first and/or last name of Individual and the name of the parish or school where Individual is a student or parishioner. I/We further acknowledge and agree that neither I nor Individual, if Individual is a minor, has or shall have any ownership interest in any informational or advertising material which utilizes, incorporates or consists of the photographic images, video images and/or audio recordings or in any copyright embodied therein.

I grant permission for my student(s) to be included in news feature stories, media and marketing materials, and other informational materials produced for Duchesne High School and/or the Archdiocese of St. Louis.
